Gradient Control Mat, Mold-6X		Your company is a stocking distributor and maintains stock of GCMs and related accessories.		

CONDITIONS OF USE

- Dairyland will ship no later than the third business day following the day of receipt of a complete purchase order. We will strive to ship early.
- If you are unsure of product and accessory pairing, please reference the Products and/or Product Accessories pages on our website or [Contact Us](#).
- A complete purchase order contains all necessary information for shipment, including bracket dimensional data, if applicable, and confirmation of **End Use Destination**.
- Purchase Orders that include items not listed or in greater quantities than allowed for in the published price list require a quote to establish price and lead time.
- US partners may use these published lists for domestic quotation and sale only. Our international partners may use these forms to sell within their stated territories as specified in their partner agreement.
- End Destination, End User (Customer), Project Name and Application should be supplied when order is placed.
- Printing or distribution of this document to others outside your company is expressly prohibited.
- Dairyland reserves the right to:
 - Decline any orders that do not comply with the above requirement
 - Decline any orders for which the product use/application is inappropriate
 - Discontinue or modify these lists at any time
